## 33<sup>rd</sup> ANNUAL WILDFLOWER WEEKEND

Native plant enthusiasts from across Kansas will converge on **Lawrence, Kansas**, September 16-18, for the Kansas Native Plant Society's 33<sup>rd</sup> Annual Wildflower Weekend. The theme of this year's meeting is "Native Plants and Landscapes of Northeast Kansas."

The meeting will be a unique opportunity to explore and learn about the amazing diversity of native plants and their habitats in northeast Kansas, where the forest and grassland biomes of North America meet.

### Friday, September 16

- Presentation on the KU Field Station at Armitage Education Ctr.
- Tours of Rockefeller Prairie & Fitch Natural History Reservation
- BBQ Cookout (*pre-registration required*)

### Saturday, September 17

- Photo Contest, Silent Auction & Membership Meeting
- Catered Lunch (*pre-registration required*)
- Presentation "Geology & Landscapes of Kansas" by Rex Buchanan
- Tour two diverse, privately owned tallgrass prairies in Leavenworth County

### Sunday, September 18

- Tour two prairies and a wetland in Douglas County

This exciting event is free and open to the public. Attendees are welcome to join us for some or all of the events throughout the weekend. Contact KNPS at [email@ksnps.org](mailto:email@ksnps.org) or 785-806-6917 for further information.
