816-225-2352 (cell) llarson@ndbh.com

You need to bring:

- Your beverages
- One dish to pass
- Lawn chairs

(Please, no pets. Long Lips Farm is a certified wildlife habitat)

- Dinner about 6:00PM
- Live Music
- Fishing & Swimming in the lake
- Relaxing in the sun or shade
- Garden Tour
- Caterpillar Petting

From I-35 south, take the Olathe/Paola exit, #215, which is K-7 and 169. Turn left (South). It's about 20 miles south, past Spring Hill, to K-68, the Louisburg/Ottawa exit.

Turn right (west) on K-68. It's about 6 1/2 miles to Plum Creek Road

At about 6 miles west, you'll pass Osawatomie Road/Hillsdale Lake sign and be driving up a hill. Past the subdivision (ugh! Overbrook Road), get into the passing lane with your blinker on. Plum Creek is a left hand (South) turn onto a gravel road. There is a green road sign, but it's set back and hard to see.

Long Lips Farm is the second left hand driveway (asphalt), almost immediately after turning onto Plum Creek. You'll see the blue barrel holding the mailbox on the right and Habitat and Butterfly signs on the post.

If you are coming from Overland Park, come south on 69 highway and take the K-68/Louisburg exit (about 25 miles south of I-435). Turn right (West) on K-68. It's about 14 miles to Plum Creek Road. See landmarks described above.
