email@ksnps.org

Governor Mark Parkinson has proclaimed June as Kansas Native Plant Appreciation Month! The Governor's proclamation urges all citizens to join in the observance of Kansas Native Plant Appreciation Month by enjoying, appreciating, and celebrating our floral diversity and taking advantage of the opportunities to learn more about our native plants, their habitats, and how to protect them.

Use this form to tell us how you celebrate native plants. Responses may be used in the KNPS newsletter and website. Attach images if possible. **Deadline for responses is June 7, 2010.**

What native plants do you most enjoy in the month of June?

Do you have a favorite location you like to visit to enjoy Kansas native plants?

Do you plan to attend any organized tours for wildflowers in June? If so, which one(s)?

What can you do to share your love and enthusiasm for native plants with friends/family/community?

Attach any photos of the plants or the people who love them.
